

## INFORMATION FOR MCI STUDENTS

Dear MCI students,

We are pleased to provide you with the following information on the current summer semester 2020:

- MCI will continue to hold lectures via online/distance learning formats even after April 14, 2020. Due to remaining restrictions, online/distance learning will continue **until May 24, 2020** in any case. Depending on your study program, the entire summer term 2020 might be conducted through **online/distance learning**. Please contact your degree program for further information.
- From today's perspective, we are planning to conduct final examinations **face-to-face** on the already specified dates in each degree program.
- It remains **MCI's primary goal** to enable students to successfully complete the summer semester 2020 (30 ECTS, including examinations).

Please take note of this information!

**Stay healthy and positive!**

With best regards,

Your  
**MCI Heads of Departments & Studies**
